TECHNICAL INFO KLIKKLAK

Age: From 4 years old.
Performance time: +/- 40 minutes.
Audience: Maximum 200 depending on theatre size.

Preparation time required is at least 2 hours.

The performance space needs to be at least 7.5 meters wide, with a depth of 5.5 and a height of 3.3 meters.

Number of seats depends on the theatre size and children can sit in the performance area on cushions. It is possible to see from galleries, but not from behind the 2.5 meter projector area.

The theatre needs to have the equivalent of **cinema darkness**.

Access has to accommodate boxes on wheels of 70-90-80 cm. If there are stairs there needs to be a ramp or an elevator.

Lighting to be provided by the venue: full lighting of the performance area at the beginning and end of the performance, spots on musician and projectionist. Two separate electricity access points for the musician and projectionist.

We provide all **sound requirements**, so no extra technician is needed.
